Content strategist and founder who has grown a wellness brand from a single follower to a running business across **Instagram, YouTube and TikTok**, owning strategy, production, and analytics end to end. An 11-page brand and content strategy case study (HALE.NOW x RCVR.NOW) shows the full range: positioning, a designed content concept, and a 7-day launch calendar. Background in software engineering means I build the tools I use: my own e-commerce backend, funnel automation, and a native iOS companion app. German native, English fluent.

SKILLS

Content & Growth — Instagram, YouTube, TikTok, Hook Writing, Retention Scripting, Metricool, VidIQ, KeywordsEverywhere

EXPERIENCE

Founder & Lead Strategist

juliakas.de · @juliakasanzewa (Instagram, YouTube & TikTok)

01/2026 – Present

- Founded and scaled a D2C wellness brand end to end (brand strategy, product, tech and growth) as a solo founder
- Designed and built a WooCommerce e-commerce platform (WordPress, Stripe, PayPal, Google Pay) from the ground up
- Run a data-driven, multi-pillar content strategy (Mindset · Relationships · Performance) across Instagram, YouTube and TikTok, owning scripting, filming and post-production
- Engineered ManyChat DM automation and email funnels (HubSpot, KIT); track growth with Metricool and VidIQ, iterating weekly on retention and conversion KPIs

IT & Marketing Strategist

Rad-Börse, Remote

09/2026 – 11/2026

- Implemented technical SEO, local keyword strategy, and a conversion-focused marketing funnel (CTAs, FAQ, testimonial carousels)
- Set up Google Analytics 4, Search Console and heatmaps for continuous, data-driven CRO

iOS & Backend Developer

Nanocosmos GmbH, Remote

12/2020 – 01/2025

- Built internal APIs connecting backend systems to ActiveCampaign, automating marketing workflows across the customer journey
- Collaborated cross-functionally with product and design teams on a consumer streaming platform

PROJECTS
